

# AU PAIR & ENGLISH PROGRAMME

THE ENJOYABLE AND EFFECTIVE WAY TO IMPROVE YOUR ENGLISH WHILE LIVING A REAL KIWI EXPERIENCE IN A LOCAL FAMILY!

This programme will give the Au Pairs the opportunity to learn English at a leading English language school in New Zealand, while living and working in the home of a local family. Not only this will give the Au Pair extra English practice in real life situations at home, but they will also have the opportunity to build lasting bonds of friendship with the family they will be working for as they will be spending time building a good relationship with them.

Our English courses are flexible enough to fit around the childcare needs of the family you work for. Most Au Pairs have 3 – 6 hours free time during the day, while the children are at school or day care, although this depends on the age of the children and may vary from family to family.

Course lengths vary from 3 to 12 months in duration depending on which package you choose and we have a variety of course options available to suit your learning needs.
