

# ENGLISH STUDIES FOR NURSING REGISTRATION

The programme is specially designed to assist overseas qualified nurses in meeting the English Language requirements for Nursing Registration or further nursing related study in NZ.

## THE COURSE AIMS TO:

- Raise the level of the overseas-registered nurses' standard of English to that required for nursing registration.
- Prepare overseas-registered nurses' for study in a New Zealand Institute of Technology's nursing programmes.
- Assist overseas nurses to communicate more effectively in a New Zealand healthcare environment.
- Assist overseas nurses to adapt to the expectations and culture of New Zealand nursing workplace and curriculum.

## WHY STUDY ESNR AT WIE?

The ESNR programme has a focus on Medical English, combined with test preparation strategies to assist overseas qualified nurses to achieve an IELTS score of at least 7.0 OR at least a 'B' pass in OET for all four skill areas of Listening, Reading, Writing and Speaking as required by the Nursing Council of New Zealand for registration. Our custom-designed course will give you the confidence and preparation you need to succeed.

After you complete the course we will assist you to gain entry into the corresponding exam at the location of your choice. WIE is the OET Test Centre for the Waikato region in New Zealand. There is also an IELTS Test Centre located at nearby Waikato University. WIE can also assist nurses in applying for Nursing Council of New Zealand recognition and for CAP or further studies.

## ADDITIONAL STUDY BENEFITS

- Approved Exam Centre for OET
- Approved Cambridge IELTS Pre-testing centre - giving students the opportunity to practice with an official pre-test
- Accredited by New Zealand Qualifications Authority (NZQA)
- Qualified native English speaking teachers with experience in healthcare
- Small classes mean you get more individual attention

## STUDENT TESTIMONIAL

My name is Jeffrey and I'm from the Philippines. . . As a Registered Nurse in my country, I also share the dreams of many nurses in the Philippines to work abroad most especially to work in an English-speaking country. One of the requirements to become a Registered Nurse in New Zealand is to pass IELTS. I've done IELTS in my country and unfortunately I failed. . . The help of the teachers is also remarkable as I admire their patience and dedication to teach students who are totally lack the background of the language; and also to the administrators who never fail to remind me to be always present in class and guide me in borrowing books. The time that I had in WIE is unforgettable. I managed to be confident in dealing with personal interaction in English and also a once in a while trip is a good help for us students that's why this drive me to pass my IELTS . . . I am very thankful that my purpose here to study English has given me a good results and this will also drive me to become a Registered Nurse in New Zealand soon.

*Choose WIE and let us help you get the results you need for success!*
